OSWI Mission and Role:

The mission of the Ophthalmological Society of the West Indies (OSWI) is to prevent and eradicate blindness in the region by fostering lifelong ophthalmic education and research with the use of cutting-edge technology and cultural exchange amongst ophthalmologists in the Caribbean.

OSWI plays a pivotal role in vision health for all Caribbean citizens by improving eye care standards through the work of its Executive, Committees, and Partners, as well as working alongside national and international ophthalmological and eye care organizations.

OSWI AIMS:

- 1) Promote and improve the ethics and practice of Ophthalmology in the West Indies.
- 2) Circulate information on eye care to its members and members of the medical profession and the public.
- 3) Arrange medical meetings, discussions, etc. to improve the knowledge of its members.
- 4) Act as an umbrella organization for Ophthalmological Societies in the region.
- 5) Collaborate with Governmental and Non-governmental organizations working to improve Ophthalmologic care in the region.
- 6) Develop ties with extra regional Ophthalmologic Societies and Associations in the furtherance of its cause and to their mutual benefit.

CONGRESS PROFILE

The 33rd Annual OSWI Congress will recognize the Society's aims to improve the knowledge of its members, and circulate information on eye care to its members, members of the medical profession, and the public.
